Lesson Eighteen

Perhenogath - Possessions

Ma ... vy	My
Dha ... jy	Your (sing)
Y ... ef	His
Hy ... hy	Her
Agan ... ny	Our
Agas ... why	Your (pl)
Aga ... ynjy	Their

Ensomplow:

Ma chy vy ¹	My house
Dha jy jy ²	Your house
Y jy ef	His house
Hy jy hy	Her house
Agan chy ny	Our house
Agas chy why	Your house
Aga chy ynjy	Their house

*It is usual in spoken Cornish only to use either the first part (for example Agan Tavas, or the last part Tavas Ny, both of which mean 'Our Language'). When used together, for example Agan Tavas Ny, the meaning is much stronger, **Our Language**.*

Usadow:

My cat		His pub	
Our tree		Their house	
Your (sing) man		Her mother	
Your (pl) dog		His flag	

Moy usadow:

I love ³ my cat	
You loved your dog	
He milked ⁴ his cow	
She reads her book	
We painted our house	
You phone your father on Tuesdays	
They heard ⁵ their song on the radio	

Note: Answers to these two exercises may be found after Dyscas Nawnjak.

¹ **Ma** and **ow** mean exactly the same thing 'my' e.g. **ow chy vy**. **Vy** may also be spelt **ve**.

² **Jy jy** is pronounced 'jye jee', from **ky** (dog) and **jy** (your). **Jy** (your) may also be spelt **je**, which differentiates it from the 'jye' sound.

³ **Cara**, to love.

⁴ **Codra**, to milk.

⁵ **Clowes**, to hear.

Dyscas Nawnjak Lesson Nineteen *Things happening to another person*

Cornish also uses *my, your, our etc.*, in order to talk about things that we do in relation to each other. For example: 'I love you', or 'you see me'.

Ensomplow:

Me a wra dha gara jy	I love YOU
Te a wra ow cara vy	You love ME
Ef a wra hy gara hy	He loves HER
Hy a wra y gara ef	She loves HIM
Ny a wra agas cara why	We love YOU
Why a wra agan cara ny	You love UES
Ynjy a wra aga cara ynjy	They love THEM

Just like the previous lesson, there are two ways of shortening the above, so *Te a wra ow cara* and *Te a wra cara vy* mean exactly the same thing.

Usadow:

Screfeugh yn Sawsnak:

Me a wra gweles jy	
Te a wra hy gara	
Ef a wra dryvya hy dhe'n scol pub dedh	
Hy a wrug y gafus de	
Ny a wrug aga payntya	
Why a wrug agan dysquethes ¹	
Ynjy a vyn ma fetha ² orth snuker	
Me a yl strotha ³ ynjy gans ma dewluf	

Screfeugh yn Kernuak:

<i>We saw them on Friday</i>	
<i>They see him every night</i>	
<i>I loved you</i>	
<i>He dislikes you (pl)</i>	
<i>You (pl) lost⁴ me at two o'clock</i>	
<i>You (sing) can show him now</i>	
<i>She finds ues here⁵</i>	
<i>They can destroy you⁶</i>	
<i>She will display it tomorrow⁷</i>	

¹ **Dysquethes**, to show.

² **Fetha**, to beat.

³ **Strotha**, to tighten.

⁴ **Kelly**, to lose (a thing).

⁵ **Omma**, here. **Ena**, there.

⁶ **Destrewy**, to destroy.

⁷ **Desplegya**, to display.

PO Box 39, Penzans, Kernow, TR18 5YA, United Kingdom.

Everyone is permitted to copy and distribute verbatim copies of this licence document, but changing it is not allowed.

PREAMBLE

This General Public Licence is intended to guarantee your freedom to share this computerised Publication (The Publication) and to make sure the Publication is free for all its users. This General Public Licence is similar to licences for free software available on the Internet. We commend this approach to others.

When we speak of free Publication, we are referring to freedom, not price. This General Public Licence is designed to make sure that you have the freedom to distribute copies of the free Publication (and charge for this service if you wish); and that you know you can do these things.

To protect your rights, we need to make restrictions that forbid anyone to deny you these rights or to ask you to surrender the rights. These restrictions translate to certain responsibilities for you if you distribute copies of the Publication.

For example, if you distribute copies of such a program, whether gratis or for a fee, you must give the recipients all the rights that you have. You must make sure that they, too, receive the Publication in the same format. The format of the Publication has been specifically chosen because the Adobe Acrobat Readers (The Distribution Software) are widely available. You must show them these terms so they know their rights.

We protect your rights with two steps: (1) copyright the Publication, and (2) offer you this licence which gives you legal permission to copy, and distribute the Publication.

Also, for every distributor's protection and ours, we want to make certain that everyone understands that there is no warranty for this free Publication.

Finally, any free Publication is threatened constantly by the desire to modify it so that it can become a proprietary product. To prevent this, we have made it clear that any copying must not change the content; to do so will be a breach of copyright and action will be taken.

The precise terms and conditions for copying and distribution follow.

TERMS AND CONDITIONS FOR COPYING and DISTRIBUTION

This Licence applies to any program or other work which contains a notice placed by the copyright holder saying it may be distributed under the terms of this General Public Licence. The "Publication", below, refers to the Publication as supplied or any portion of it,

Each licensee is addressed as "you".

Activities other than copying or distribution are not covered by this Licence; they are outside its scope. The act of copying the Publication without change is not restricted.

1. You may copy and distribute verbatim copies of the Publication as you receive it, through any medium, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and disclaimer of warranty; keep intact all the notices that refer to this Licence and to the absence of any warranty; and give any other recipients of the Publication a copy of this Licence along with the Publication.

TERMS AND CONDITIONS FOR COPYING and DISTRIBUTION

This Licence applies to any program or other work which contains a notice placed by the copyright holder saying it may be distributed under the terms of this General Public Licence. The "Publication", below, refers to the Publication as supplied or any portion of it,

Each licensee is addressed as "you".

Activities other than copying or distribution are not covered by this Licence; they are outside its scope. The act of copying the Publication without change is not restricted.

1. You may copy and distribute verbatim copies of the Publication as you receive it, through any medium, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and disclaimer of warranty; keep intact all the notices that refer to this Licence and to the absence of any warranty; and give any other recipients of the Publication a copy of this Licence along with the Publication.

2. You may charge a fee for the physical act of transferring a copy.
3. You may aggregate this Publication with other works only on the condition that the entire work is available under the same licence conditions as the Publication itself. This is not intended to restrict what you do, but only to protect the rights of others.
4. You may not copy, modify, sublicense, or distribute the Publication except as expressly provided under this Licence. Any attempt otherwise to copy, sublicense or distribute the Publication is void, and will automatically terminate your rights under this Licence. However, parties who have received copies, or rights, from you under this Licence will not have their licences terminated so long as such parties remain in full compliance.
5. You are not required to accept this Licence, since you have not signed it. However, nothing else grants you permission to modify or distribute the Publication or its derivative works. These actions are prohibited by law if you do not accept this Licence. Therefore, by copying or distributing the Publication, you indicate your acceptance of this Licence to do so, and all its terms and conditions for copying or distributing the Publication.
6. Each time you redistribute the Publication, the recipient automatically receives a licence from the original licensor to copy or distribute the Publication subject to these terms and conditions. You may not impose any further restrictions on the recipients' exercise of the rights granted herein. You are not responsible for enforcing compliance by third parties to this Licence.
7. If, as a consequence of a court judgment or allegation of copyright infringement or for any other reason, conditions are imposed on you (whether by court order, agreement or otherwise) that contradict the conditions of this Licence, they do not excuse you from the conditions of this Licence. If you cannot distribute so as to satisfy simultaneously your obligations under this Licence and any other pertinent obligations, then as a consequence you may not distribute the Publication at all.
8. If the distribution and/or use of the Publication is restricted in certain countries by local copyright law, the original copyright holder who places the Publication under this Licence may add an explicit geographical distribution limitation excluding those countries, so that distribution is permitted only in or among countries not thus excluded. In such case, this Licence incorporates the limitation as if written in the body of this Licence.
9. If you wish to incorporate parts of the Publication into other free publications whose distribution conditions are different, write to the author to ask for permission.

NO WARRANTY

10. BECAUSE THE PUBLICATION IS LICENSED FREE OF CHARGE, THERE IS NO WARRANTY FOR THE PUBLICATION OR DISTRIBUTION SOFTWARE OR MEDIA USED TO DELIVER IT, TO THE EXTENT PERMITTED BY APPLICABLE LAW. THE PUBLICATION IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE ENTIRE RISK AS TO THE QUALITY OF THE PUBLICATION AND PERFORMANCE OF THE DISTRIBUTION SOFTWARE AND MEDIA IS WITH YOU. SHOULD THE PUBLICATION OF DISTRIBUTION SOFTWARE OR MEDIA PROVE DEFECTIVE, YOU ASSUME THE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION.

11. IN NO EVENT UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING WILL ANY COPYRIGHT HOLDER, OR ANY OTHER PARTY WHO MAY MODIFY AND/OR REDISTRIBUTE THE PUBLICATION AS PERMITTED ABOVE, BE LIABLE TO YOU FOR DAMAGES, INCLUDING ANY GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE PUBLICATION OR DISTRIBUTION SOFTWARE OR MEDIA (INCLUDING BUT NOT LIMITED TO LOSS OF DATA OR DATA BEING RENDERED INACCURATE OR LOSSES SUSTAINED BY YOU OR THIRD PARTIES OR A FAILURE OF THE PUBLICATION OR DISTRIBUTION SOFTWARE OR MEDIA TO OPERATE WITH ANY OTHER PUBLICATIONS OF SOFTWARE PROGRAMS), EVEN IF SUCH HOLDER OR OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

8. If the distribution and/or use of the Publication is restricted in certain countries by local copyright law, the original copyright holder who places the Publication under this Licence may add an explicit geographical distribution limitation excluding those countries, so that distribution is permitted only in or among countries not thus excluded. In such case, this Licence incorporates the limitation as if written in the body of this Licence.
9. If you wish to incorporate parts of the Publication into other free publications whose distribution conditions are different, write to the author to ask for permission.

2. You may charge a fee for the physical act of transferring a copy.
3. You may aggregate this Publication with other works only on the condition that the entire work is available under the same licence conditions as the Publication itself. This is not intended to restrict what you do, but only to protect the rights of others.
4. You may not copy, modify, sublicense, or distribute the Publication except as expressly provided under this Licence. Any attempt otherwise to copy, sublicense or distribute the Publication is void, and will automatically terminate your rights under this Licence. However, parties who have received copies, or rights, from you under this Licence will not have their licences terminated so long as such parties remain in full compliance.
5. You are not required to accept this Licence, since you have not signed it. However, nothing else grants you permission to modify or distribute the Publication or its derivative works. These actions are prohibited by law if you do not accept this Licence. Therefore, by copying or distributing the Publication, you indicate your acceptance of this Licence to do so, and all its terms and conditions for copying or distributing the Publication.
6. Each time you redistribute the Publication, the recipient automatically receives a licence from the original licensor to copy or distribute the Publication subject to these terms and conditions. You may not impose any further restrictions on the recipients' exercise of the rights granted herein. You are not responsible for enforcing compliance by third parties to this Licence.
7. If, as a consequence of a court judgment or allegation of copyright infringement or for any other reason, conditions are imposed on you (whether by court order, agreement or otherwise) that contradict the conditions of this Licence, they do not excuse you from the conditions of this Licence. If you cannot distribute so as to satisfy simultaneously your obligations under this Licence and any other pertinent obligations, then as a consequence you may not distribute the Publication at all.
